An illustration of an elderly woman with short, curly, reddish-brown hair. She is smiling warmly at the viewer and holding a small, clear glass filled with a golden liquid, presumably wine. She is wearing a light-colored, possibly white, blouse with a dark, wide sash or ribbon running down the center. The background is a soft, out-of-focus grey and white. At the top of the page, two red ribbons are visible, suggesting the poster is hanging from a string.

Recipes for SUMMER CUPS

THE FOLLOWING RECIPES are given upon the assumption that *Schweppes* Lemon or Orange Squash and Soda Water is used.

LEMON SQUASH is a small quantity of *Schweppes* Lemon Squash with *Schweppes* Soda Water, or plain water. A piece of Ice and a slice of Lemon in the glass improves it. A tablespoonful of Raspberry, Strawberry or Pineapple Syrup makes a pleasant change—more particularly for ladies and children.

A DAISY. A gill of *Schweppes* Lemon Squash, $\frac{1}{2}$ -gill of Strawberry Syrup, syphon *Schweppes* Soda Water, plenty of Ice, stir briskly with a swizzle or long spoon, and, just before serving, stir in a spoonful of Cream. The above quantities are for one pint. Serve in a glass jug.

CYDER CUP. Put into a large glass jug one pint *Schweppes* Cyder, one gill *Schweppes* Lemon Squash, one gill Brandy, one whole syphon Soda Water, Sugar to taste, Lemon slices on top with grated Nutmeg. A dash of Pineapple Syrup is an improvement.

JOHN COLLINS. About half a gill *Schweppes* Lemon Squash, same quantity of dry Gin, to a bottle of *Schweppes* Soda Water. Serve in a large Soda Water glass with plenty of Ice. Two thin slices of Lemon and two straws.
